A RUSSIAN MIG-17F ?

It's the latest addition to the incredible collection of MESCHKES MILITARY MACHINES. Bob & Randy are working tirelessly to restore this Vietnam era warbird and hope to have it completed in time for Shooters Roundup. Will Randy let you put on a crash helmet, climb into the cockpit and fire the plane's 25mm cannons? Well...Maybe. Maybe not. Come over and see.

You'll love our new Ammo tent featuring all the major brands. We combed the country to find you the best possible prices. Plan to stock up for the Hunting Season on these great deals. (free delivery to your car while at the event.)

PLUS All your "favorites" will be back, including Get the sniper event, 2ND MN light artillery cannon demo, gun fight at Fort Ahlman, Old West Melodrama, dog jump contest, buckskin rendezvous, flea market, Wilderness Hunt event and over 150 displays. Test fire machine guns, hunting guns and much, much more.

AUG. 26 & 27, 2017

FACTORY GUN TESTING...

Nearly all major gun makers set up test ranges where YOU can test fire their guns for an ammo fee. Many offer free shooting.

MILITARY GUN TESTING...

Ever had the urge to shoot a Browning A-4? Test fire a machine gun or .50 caliber? You can do it all (legally) at Shooters Roundup.

WILDERNESS HUNT...

Our most popular event. You'll face 15 challenges that demand proficiency with shotgun, rifle, handgun, bow, knife (and a few surprises we toss in). Score high and win guns and valuable prizes.

PRIZE HUNT...

If you don't care for the physical demands of the wilderness hunt, try our prize hunt. Locate all 15 stations and qualify for valuable prizes.

OLD WEST MELODRAMA...

You'll cry when Sweet Sally is gunned down. You'll gasp when cowboys fall from the rooftops. You'll applaud when the posse gets Black Bart. Your whole family will LOVE this half hour show with it's cast of 20 cowboys. Two shows daily. Directed by Chuck Larsen.

TRICK SHOOTING SHOWS...

These 1/2-hour shows will put you on the edge of your chair as you stare in disbelief at the impossible shots done by our trick shooters.

SHOPPING FOR SHOOTING...

There's over 150 vendors at Shooters Roundup with tons of gun stuff for sale. And...if you don't find what you're looking for, check out Ahlman's Store which has over 5,000 guns on display.

WHAT'S IT COST?...

Admission is only \$10. for both days. You won't find another show this side of the Mississippi that offers this much entertainment for only ten bucks. Of course, if you test fire every single gun, enter every contest and pork out at all the food stands, you can run the tab up a bit. But...you'll have lots of fun doing it.

WHEN?...

Aug. 26 & 27. Gates open at 9 AM and close at 5 PM. Come early -- it takes all day to see everything. Or, stay over and attend both days. For lodging, camping details, call us (507) 685-4243.
